Phone: 7483125842 | **Email:** dhanushsm617@gmail.com

Location: Chikkamagaluru, Karnataka

Professional Summary

Entry-level Full Stack Web Developer and BCA graduate with hands-on experience building responsive web applications using HTML, CSS, JavaScript, React.js, Next.js, and MongoDB. Strong understanding of frontend development, REST APIs, database integration, and responsive UI design. Quick learner with excellent problem-solving skills, eager to contribute to software development teams.

Technical Skills

- HTML5, CSS3, JavaScript (ES6+)
- React.js, Next.js
- MongoDB
- Git & GitHub
- Responsive Web Design
- Microsoft Word, Excel, PowerPoint

Projects

HRMS – Human Resource Management Sys

- **Developed a full-stack Human Resource Management System (HRMS)** using **Next.js, React.js, Tailwind CSS, and MongoDB**, enabling efficient management of employees, attendance, leave, payroll, and recruitment.
- **Implemented secure JWT authentication and role-based access control (RBAC)** for Admin, HR, and Employee modules, ensuring secure access and data protection.
- **Built scalable RESTful APIs and performed complete CRUD operations** with MongoDB and Mongoose, optimizing data management and improving application performance.
- **Designed a responsive, user-friendly dashboard** with real-time employee statistics, attendance tracking, search, filtering, and reusable React components to enhance productivity and user experience.

Education

Bachelor of Computer Applications (BCA) – USMR, Kuvempu University (2025)

PUC (Science) – Government PU College (2022)

SSLC – Karnataka State Board (2020)

Soft Skills

Communication • Teamwork • Problem Solving • Adaptability • Quick Learning

Languages

English, Kannada, Tamil
